MAY 25, 2010

The National Affordable Housing Act of 1990, as amended in 1992, requires that the County of Los Angeles provide a single, consolidated submission of the proposed expenditure of funds to be eligible for U.S. Department of Housing and Urban Development formula grant funding. The Action Plan satisfies these requirements to provide for the release of funds for the forthcoming Fiscal Year 2010-2011.

Friends Outside in Los Angeles County, Inc. (Project No. E96505) provides services through its Jail Visitation and Family Assistance Project to primarily low- and moderate-income clients to mitigate the consequences of incarceration for persons affected, directly or indirectly, by incarceration, including parolees, released inmates, juvenile offenders, and their families with the goals of a reducing recidivism, maintaining family ties, and reducing intergenerational crime. The project will be funded with \$10,000 in Community Development Block Grant (CDBG) funds allocated to the Fifth District for Fiscal Year 2010-2011.

I, THEREFORE, MOVE that the Board of Commissioners of the Community Development Commission amend the Fiscal Year 2010-2011 Action Plan to add \$10,000 allocated to the Fifth District to Friends Outside in Los Angeles County, Inc. to provide services through its Jail Visitation and Family Assistance Project to mitigate the consequences of incarceration for low and moderate-income persons in Los Angeles County.
